FLOOR

	**Luxury Vinyl Tile flooring** - **N/A**	Toronto Terrazzo LVT Vinyl Flooring | Wanabiwood Echo Tile **Product Name** Wanabiwood **Brand**	Light Grey **Colour** Lightly Pitted **Finish**	LVT (Luxury Vinyl Tile) **Material**	300 **Width (mm)** 600 **Length (mm)**	2.5 **Height (mm)** n/a **Depth (mm)**	Its long lifespan and durability reduce replacement waste over time. The product is also low maintenance and manufactured without harmful substances.
	**LVT flooring adhesive** - **N/A**	WAKOL D 3125 LVT Flooring Adhesive **Product Name** WAKOL **Brand**	Clear **Colour** n/a **Finish**	Acrylate Dispersion **Material**	290 **Width (mm)** 290 **Length (mm)**	230 **Height (mm)** n/a **Depth (mm)**	This water-based adhesive helps reduce harmful VOC emissions and improves indoor air quality. Its durability also supports longer-lasting flooring installation with reduced replacement waste.
	**Walnut veneer plywood sheet** - **N/A**	Walnut Veneer Plywood 3mm 2440mm x 1220mm **Product Name** BoardMaster **Brand**	Walnut **Colour** Sealed **Finish**	Walnut Veneer, Plywood **Material**	1220 **Width (mm)** 2440 **Length (mm)**	3 **Height (mm)** 3 **Depth (mm)**	This plywood uses a thin natural timber veneer, reducing the amount of solid hardwood required in construction. Its durability and long lifespan also help minimise material replacement over time.
	**Water-based wooden floor sealer** - **N/A**	EASY SEAL Wooden Floor Sealer **Product Name** Harlequin Paints **Brand**	Clear **Colour** Low Sheen **Finish**	- **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This water-based sealer has low VOC emissions, helping improve indoor air quality. Its durability also extends the lifespan of timber finishes, reducing replacement waste over time.
	**Stone mosaic tile** - **FTMO0522**	Micro Pebble Warm Blend Stone Mosaic - 300 x 300mm (GS) **Product Name** CTM South Africa **Brand**	Ivory **Colour** Matt **Finish**	Stone **Material**	300 **Width (mm)** 300 **Length (mm)**	8 **Height (mm)** Varies **Depth (mm)**	This natural stone mosaic uses durable natural materials with a long lifespan, reducing replacement waste over time. Its natural composition also adds biophilic texture and reduces reliance on synthetic finishes.
	**Mosaic tile adhesive and grout** - **TMOS18010**	TAL MosaicFix White High-Strength Adhesive & Grout 5kg **Product Name** TAL **Brand**	White **Colour** Smooth **Finish**	Cement-based **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This low-VOC adhesive improves indoor air quality and reduces harmful emissions. Its durability also supports a longer-lasting installation with reduced material replacement over time.
	**Structured needlepunch carpet** - **N/A**	Color Rib **Product Name** Belgotex **Brand**	Lime **Colour** ResinBac **Finish**	Stainproof Miracle Fibre **Material**	4200 **Width (mm)** n/a **Length (mm)**	4.5 **Height (mm)** n/a **Depth (mm)**	Green Tag level A Silver rated certification. This durable carpet reduces replacement waste through its long lifespan and resilient construction. It also contributes to improved indoor air quality through low VOC emissions and acoustic comfort.
	**Heavy commercial needlepunch carpet** - **N/A**	Berber Point 920 **Product Name** Belgotex **Brand**	Resilience **Colour** n/a **Finish**	Stainproof Miracle Fibre (Polypropylene) **Material**	4200 **Width (mm)** n/a **Length (mm)**	7 **Height (mm)** n/a **Depth (mm)**	This durable commercial carpet contains recycled content, helping reduce material waste and resource consumption. It also has low VOC emissions and improves acoustic comfort within interior spaces.
	**Elastic parquet adhesive** - **362702 | 46428**	WAKOL MS 239 **Product Name** WAKOL **Brand**	Clear **Colour** n/a **Finish**	MS polymer **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This solvent-free adhesive has very low VOC emissions, helping improve indoor air quality. Its durable elastic formulation also extends the lifespan of timber flooring installations.

	**Tiling straight edge trim** STAIR & FLOOR TRIM **82044**	Falcon Tiling Stainless Steel Straight Edge Trim Silver 2500 x 10 mm **Product Name** Falcon **Brand**	Silver **Colour** Polished **Finish**	Stainless Steel **Material**	10 **Width (mm)** 2500 **Length (mm)**	n/a **Height (mm)** n/aa\ **Depth (mm)**	
	**Aluminium shadowline skirting board** - **N/A**	TRE Aluminium Shadowline Skirting Black 20-40mm **Product Name** Awisdom **Brand**	Black **Colour** Anodized **Finish**	6063 or 6060 Aluminum **Material**	0.8 **Width (mm)** 2400 **Length (mm)**	40 **Height (mm)** n/a **Depth (mm)**	

WALLS

	**Cementious Wall Finish** - **N/A**	Brickwash **Product Name** Cemcrete **Brand**	Tatacoa **Colour** Rough texture **Finish**	Cement **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This cement-based finish reduces the need for separate plaster and paint layers, lowering overall material use. Its extreme durability and long lifespan also help minimise maintenance and replacement waste over time.
	**Stone mosaic tile** - **FTMO0522**	Micro Pebble Warm Blend Stone Mosaic - 300 x 300mm (GS) **Product Name** CTM South Africa **Brand**	Ivory **Colour** Matt **Finish**	Stone **Material**	300 **Width (mm)** 300 **Length (mm)**	8 **Height (mm)** Varies **Depth (mm)**	This natural stone mosaic uses durable natural materials with a long lifespan, reducing replacement waste over time. Its natural composition also adds biophilic texture and reduces reliance on synthetic finishes.
	**Mosaic tile adhesive and grout** - **TMOS18010**	TAL MosaicFix White High-Strength Adhesive & Grout 5kg **Product Name** TAL **Brand**	White **Colour** Smooth **Finish**	Cement-based **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This low-VOC adhesive improves indoor air quality and reduces harmful emissions. Its durability also supports a longer-lasting installation with reduced material replacement over time.
	**GRC Wall** - **N/A**	Glass Reinforced Concrete **Product Name** WilsonStone **Brand**	Grey **Colour** Rough Textured **Finish**	Glass Reinforced Concrete **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	GRC is lighter than traditional concrete, reducing material usage and structural load requirements. Its high durability and long lifespan also minimise maintenance and replacement waste over time.
	**Straight edge tile trim** - **FTES0017**	Promax Polished Silver Anodized Straight Edge Trim - 2500 x 10mm **Product Name** Promax **Brand**	Chrome **Colour** Polished Silver Anodized **Finish**	Anodized Aluminium **Material**	3 **Width (mm)** 2500 **Length (mm)**	10 **Height (mm)** n/a **Depth (mm)**	

CEILING

	**Wire Rope** - **WR10**	WIRE ROPE GALV 10MM **Product Name** Fowkes Bros **Brand**	Silver **Colour** Black Powder-Coated **Finish**	Galvanised Steel **Material**	10 **Width (mm)** 500000 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	

	**Ceiling Panel Slot** - **N/A**	LIPPED CHANNEL **Product Name** Wispeco Aluminium **Brand**	Black **Colour** Black Powder-Coated **Finish**	Aluminium **Material**	20-50 **Width (mm)** 20-50 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Ceiling Panel** - **N/A**	Tubing Rectangular **Product Name** Wispeco Aluminium **Brand**	Black **Colour** Black Powder-Coated **Finish**	Aluminium **Material**	10-80 **Width (mm)** 10-80 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Upholstery fabric** - **N/A**	Vivid Landscape **Product Name** Weavers World **Brand**	Landscape **Colour** n/a **Finish**	100% Polyester **Material**	1450 **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This durable upholstery fabric is designed for long-term commercial use, helping reduce replacement waste over time. Its high-performance construction also supports longevity and material efficiency in interior spaces.
	**Acoustic panel** - **N/A**	Fairway **Product Name** Weavers World **Brand**	71 **Colour** Vivid Landscape **Finish**	PET **Material**	1220 **Width (mm)** 2440 **Length (mm)**	9 **Height (mm)** 9 **Depth (mm)**	These acoustic panels are made from recycled PET material, helping reduce plastic waste and support circular design practices. They also improve acoustic comfort and indoor environmental quality within the workspace.
	**Roofing insulation material** - **544868BBD26F**	Roofing Insulation 50mm **Product Name** Think Green Insulation **Brand**	Green **Colour** n/a **Finish**	PET **Material**	1200 **Width (mm)** 10000 **Length (mm)**	50 **Height (mm)** n/a **Depth (mm)**	This insulation is manufactured from recycled PET bottles, helping reduce plastic waste and support circular design practices. It also improves thermal performance, reducing the energy required for heating and cooling within the building.

FIXTURES

	LED ceiling panel light - **HM0714-60120-60W RPR362**	Panel LED 60w Backlit 1200x600mm 3CCT **Product Name** Radiant **Brand**	Black **Colour** n/a **Finish**	Aluminium & Steel & Polycarb **Material**	600 **Width (mm)** 1200 **Length (mm)**	26 **Height (mm)** 26 **Depth (mm)**	LED lighting reduces energy consumption and has a longer lifespan than traditional lighting systems, lowering replacement waste over time. It also improves energy efficiency within the workspace and reduces operational electricity usage
	**Track spotlight** - **VR-KLS-140/BL**	Baril Slim Drop Black | White GU10 3 Wire Track Spotlight **Product Name** Baril **Brand**	Black **Colour** Matte **Finish**	Aluminium **Material**	55 **Width (mm)** 215 **Length (mm)**	n/a **Height (mm)** 55 **Depth (mm)**	
	**Dimmable LED light bulb** - **LA.42059030**	GU10 LED 5W 2700K| 3000K | 4000K | 6500K Bulb Dim S **Product Name** GU10 **Brand**	Extra Warm White **Colour** n/a **Finish**	n/a **Material**	50 **Width (mm)** 55 **Length (mm)**	55 **Height (mm)** 50 **Depth (mm)**	This LED bulb reduces energy consumption compared to traditional halogen lighting, lowering operational electricity usage. Its long lifespan also reduces replacement waste and maintenance over time.
	**3-Wire 1-Circuit Track** - **N/A**	Baril Track 3 Wire 1 Circuit Track **Product Name** Baril **Brand**	Black **Colour** Matte **Finish**	Aluminium **Material**	n/a **Width (mm)** 1000 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	

	**Single socket with USB** - **SKU 81488373**	Lexman Single Socket with 1x IEC & USB-A+C (100x100) Black **Product Name** Lexman **Brand**	Black **Colour** Infinity black **Finish**	Plastic **Material**	100 **Width (mm)** n/a **Length (mm)**	100 **Height (mm)** 40 **Depth (mm)**		
	**Pop up power tower** - **VDMG2W**	Wireless Charging Pop Up Power Tower **Product Name** VETi **Brand**	Black **Colour** Glass **Finish**	Plastic **Material**	121 **Width (mm)** 121 **Length (mm)**	n/a **Height (mm)** 180 **Depth (mm)**		
	**DALI interface for control systems** - **N/A**	DIN-DLI **Product Name** Crestron **Brand**	Light gray **Colour** n/a **Finish**	Polycarbonate **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** 59 **Depth (mm)**		
	**Smart wall light switch** - **ZB-M5-2CH**	Zigbee Sonoff Light M5 2CH (Neutral Optional) **Product Name** Sonoff **Brand**	Black **Colour** Smooth **Finish**	PC+CRS **Material**	70 **Width (mm)** 100 **Length (mm)**	40 **Height (mm)** n/a **Depth (mm)**		
	**Battery-operated smoke alarm** - **FA-SA004I**	Interlinked Smoke Alarm **Product Name** Max Fire Alert **Brand**	White **Colour** Smooth **Finish**	Plastic **Material**	101 **Width (mm)** 101 **Length (mm)**	36 **Height (mm)** 101 **Depth (mm)**		
	**Tablet** - **13-INCH-IPAD-AIR-M3**	13-inch iPad Air M3 **Product Name** Apple **Brand**	Space Grey **Colour** n/a **Finish**	Glass **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**		
	**Kitchen sink** - **449973**	Cam Africa Drop-In DEB excluding 40 mm 1200 x 480 x 160 mm **Product Name** Cam Africa **Brand**	Silver **Colour** Polished **Finish**	Stainless Steel **Material**	1200 **Width (mm)** 480 **Length (mm)**	160 **Height (mm)** 160 **Depth (mm)**		
	**Stainless steel prep bowl** - **FKRBX610**	Franke Rondo Prep Bowl With Tap Landing And Strainer Waste RDX610-48 **Product Name** Franke **Brand**	Silver **Colour** Stainless steel **Finish**	Stainless steel **Material**	485 **Width (mm)** 485 **Length (mm)**	165 **Height (mm)** 160 **Depth (mm)**		
	**Water saving adjustable aerator** - **N/A**	Swiss Eco Flow Tri-Flow 2 - 6LPM Adjustable Aerator **Product Name** Swiss Eco Flow **Brand**	Silver and Black **Colour** n/a **Finish**	n/a **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This water-saving aerator reduces water consumption by limiting flow without reducing functionality. It also supports more efficient resource use and lowers overall water demand within the building.	

	**Kitchen sink mixer tap** - **TVKIBA01/SS**	Bali Stainless Steel Magnetic Kitchen Sink Mixer Tap Pillar Type **Product Name** Bali **Brand**	Stainless Steel **Colour** Stainless Steel **Finish**	Stainless Steel **Material**	220 **Width (mm)** n/a **Length (mm)**	528 **Height (mm)** n/a **Depth (mm)**	

EQUIPMENT

	**2-way pendant speaker** - **N/A**	SAROS PD6T-B-T-EACH **Product Name** Crestron **Brand**	Black **Colour** Textured **Finish**	Glass fiber reinforced ABS plastic **Material**	282 **Width (mm)** 282 **Length (mm)**	267 **Height (mm)** 282 **Depth (mm)**	
	**Compact refrigerator** - **N/A**	Bennett Read Bar Fridge 90 L Compact Refrigerator **Product Name** Bennett Read **Brand**	Black **Colour** n/a **Finish**	Stainless Steel **Material**	495 **Width (mm)** 463 **Length (mm)**	847 **Height (mm)** 463 **Depth (mm)**	

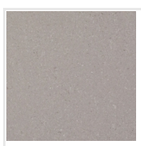

CUSTOM SHOPFITTING - BOARDROOM

	**Walnut veneer plywood sheet** - **N/A**	Walnut Veneer Plywood 3mm 2440mm x 1220mm **Product Name** BoardMaster **Brand**	Walnut **Colour** Sealed **Finish**	Walnut Veneer, Plywood **Material**	1220 **Width (mm)** 2440 **Length (mm)**	3 **Height (mm)** 3 **Depth (mm)**	This plywood uses a thin natural timber veneer, reducing the amount of solid hardwood required in construction. Its durability and long lifespan also help minimise material replacement over time.
	**Engineered wood panel** - **1282111#**	Birch Plywood **Product Name** Citiwood **Brand**	Birch **Colour** Standard **Finish**	Birch **Material**	1220 **Width (mm)** 2440 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This FSC-certified plywood supports responsible forest management and renewable material sourcing. Its durability and long lifespan also help reduce material replacement over time.
	**ABS edge banding** - **1340594**	Edging Impact Abs American Walnut 1.5x36mm **Product Name** National Edging **Brand**	American Walnut **Colour** Smooth Polish **Finish**	ABS **Material**	1.5 **Width (mm)** 36 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Water-based clear sealer coating** - **N/A**	EASY SEAL Decorators Sealer **Product Name** Harlequin Paints **Brand**	Clear **Colour** Dead Flat **Finish**	Water-based **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This water-based sealer has low VOC emissions, helping improve indoor air quality within the workspace. Its durable protective coating also extends the lifespan of interior finishes, reducing replacement waste over time.
	**Smart Glass** CUSTOM OFFICE & BOARDROOM **N/A**	LCG® **Product Name** Brandtech SA **Brand**	Clear **Colour** PDLC Film **Finish**	Glass **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This smart glass improves energy efficiency by controlling heat gain and reducing the need for artificial lighting and cooling systems. It also eliminates the need for blinds or curtains, reducing additional material usage within the space.

CUSTOM SHOPFITTING - OFFICE

	**Decorative patterned glass** CUSTOM OFFICE & BOARDROOM - SEE APPENDIX A **N/A**	Obscure Glass **Product Name** National Glass Distribution **Brand**	Clear **Colour** Rough Textured **Finish**	Glass **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Walnut veneer plywood sheet** - **N/A**	Walnut Veneer Plywood 3mm 2440mm x 1220mm **Product Name** BoardMaster **Brand**	Walnut **Colour** Sealed **Finish**	Walnut Veneer, Plywood **Material**	1220 **Width (mm)** 2440 **Length (mm)**	3 **Height (mm)** 3 **Depth (mm)**	This plywood uses a thin natural timber veneer, reducing the amount of solid hardwood required in construction. Its durability and long lifespan also help minimise material replacement over time.
	**ABS edge banding** - **1340594**	Edging Impact Abs American Walnut 1.5x36mm **Product Name** National Edging **Brand**	American Walnut **Colour** Smooth Polish **Finish**	ABS **Material**	1.5 **Width (mm)** 36 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Water-based clear sealer coating** - **N/A**	EASY SEAL Decorators Sealer **Product Name** Harlequin Paints **Brand**	Clear **Colour** Dead Flat **Finish**	Water-based **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This water-based sealer has low VOC emissions, helping improve indoor air quality within the workspace. Its durable protective coating also extends the lifespan of interior finishes, reducing replacement waste over time.
	**Cork sheet** CUSTOM OFFICE & BOARDROOM - SEE APPENDIX A **N/A**	Medium Density Cork Sheet **Product Name** Get Cork **Brand**	Brown **Colour** n/a **Finish**	Cork **Material**	605 **Width (mm)** 905 **Length (mm)**	3 **Height (mm)** n/a **Depth (mm)**	This cork sheet is made from a renewable and recyclable natural material, helping reduce environmental impact and support sustainable design practices. It also provides excellent thermal and acoustic insulation, improving interior comfort and energy efficiency.
	**Latex adhesive for cork tiles** - **N/A**	WAKOL D 3540 Cork Contact Adhesive **Product Name** WAKOL **Brand**	Clear **Colour** n/a **Finish**	Latex/Acrylate dispersion **Material**	290 **Width (mm)** 290 **Length (mm)**	230 **Height (mm)** 290 **Depth (mm)**	This water-based adhesive is solvent-free and has very low VOC emissions, helping improve indoor air quality. Its durable formulation also supports long-lasting cork installations, reducing replacement waste over time.
	**Engineered wood panel** - **1282111#**	Birch Plywood **Product Name** Citiwood **Brand**	Birch **Colour** Standard **Finish**	Birch **Material**	1220 **Width (mm)** 2440 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This FSC-certified plywood supports responsible forest management and renewable material sourcing. Its durability and long lifespan also help reduce material replacement over time.

CUSTOM SHOPFITTING - KITCHEN

	**Quartz Countertop** - **N/A**	4130 Clamshell **Product Name** Ceasarstone **Brand**	Grey **Colour** Matte **Finish**	Quartz **Material**	1420 **Width (mm)** 3040 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Decorative wood panel** - **N/A**	Congo **Product Name** PG Bison **Brand**	Congo **Colour** SupaMatt, SupaGloss, Peen, Strata **Finish**	Melawood **Material**	1830 **Width (mm)** 2750 **Length (mm)**	n/a **Height (mm)** 16 **Depth (mm)**	

	**Slim profile cupboard handle** - **U-14/96BLK**	Neptune Handles - Slim Cupboard Handles in Matt Black **Product Name** Decor Handles **Brand**	Matt black **Colour** Matt black powder coat **Finish**	Solid zinc **Material**	8 **Width (mm)** 27 **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	
	**Door hinge** - **757717**	Builders 2 x Ball Bearing Butt Hinge Black 120 x 35 x 185 mm **Product Name** Builders Warehouse **Brand**	Black **Colour** Matte Black **Finish**	Metal **Material**	35 **Width (mm)** 120 **Length (mm)**	185 **Height (mm)** n/a **Depth (mm)**	
	**Drawer roller runner** - **7024**	Roller Runner, 350mm, Black, 10kg Capacity, 2 Pieces **Product Name** Gelmar **Brand**	Black **Colour** Black powder coated **Finish**	Steel **Material**	n/a **Width (mm)** 350 **Length (mm)**	n/a **Height (mm)** - **Depth (mm)**	

FURNITURE

	**2.5-seater sofa** - **N/A**	Bolzano 2.5-seater **Product Name** BoConcept **Brand**	Cherry red **Colour** n/a **Finish**	Bologna fabric **Material**	1840 **Width (mm)** n/a **Length (mm)**	760 **Height (mm)** 910 **Depth (mm)**	
	**Armchair with swivel function** - **N/A**	Bolzano **Product Name** BoConcept **Brand**	Beige **Colour** - **Finish**	Rimini fabric **Material**	890 **Width (mm)** n/a **Length (mm)**	730 **Height (mm)** 860 **Depth (mm)**	
	**Desk Chair** - **N/A**	Merryfair Ronin Mesh Back Gaming Chair **Product Name** MerryFair **Brand**	Black **Colour** - **Finish**	n/a **Material**	n/a **Width (mm)** n/a **Length (mm)**	n/a **Height (mm)** n/a **Depth (mm)**	This chair is manufactured using 100% recyclable components, helping reduce landfill waste and support circular design practices. Its durable ergonomic construction also extends product lifespan and reduces replacement frequency.
	**Large bean bag chair** - **N/A**	L Sak Navy Blue Corduroy **Product Name** Happy Sak **Brand**	Navy Blue **Colour** n/a **Finish**	Corduroy **Material**	1200 **Width (mm)** 1200 **Length (mm)**	850 **Height (mm)** 1200 **Depth (mm)**	
	**Tall bar stool** - **N/A**	Orchilla Tall Bar Stool - Winter Taupe **Product Name** Cielo **Brand**	Winter Taupe **Colour** Antique Natural **Finish**	Solid Ash Wood, Polyester Fabric **Material**	570 **Width (mm)** 450 **Length (mm)**	1100 **Height (mm)** n/a **Depth (mm)**	
	**Coffee table with storage** - **0B3FA18C**	Kairo Curve Coffee Table **Product Name** Kairo **Brand**	Brown **Colour** Satin **Finish**	Super Wood **Material**	1200 **Width (mm)** 1200 **Length (mm)**	350 **Height (mm)** 350 **Depth (mm)**	

	**Conference table** - **FOF-RCT-M501-12-WH-BO**	Round Conference Table with Black Steel Leg **Product Name** Office Stock **Brand**	White **Colour** Steel **Finish**	Steel **Material**	1050 **Width (mm)** 1050 **Length (mm)**	730 **Height (mm)** 1050 **Depth (mm)**
